

HOME CARE PRICING SCHEDULE¹

Mercy Home Care

Pricing Schedule Last Updated on 1 July 2023

This Schedule provides information on the price for common services you can access through a Home Care Package. The costs will be deducted from your overall package budget. There are many other services you can access through a Home Care Package that are not listed below. This may include allied health services, home maintenance, aids or equipment which may form part of your Care Plan. Services delivered as part of your Care Plan are GST-free. Costs relating to exit amounts are not GST-free. For further information, please see the provider's full price list or contact the home care provider (details included below).

Provider Information about Service Delivery and Pricing

Our care and services are provided by qualified staff matched to the services and supports you need at all stages of life, including Nurses, Home Care Workers with a Certificate III in home and community care or aged care. Whatever you need to remain confident and independent at home and connected to your community, our staff can help you. Staff have a current Australian Driver's License, a reliable vehicle, a current valid Police Check and current First Aid Level 2 Certificate.

Our network of metropolitan and regional offices means we deliver services that are in the area where you live, so our staff are responsive to local needs.

Your care team

- *We offer you a professional care team that meets your needs and preferences*
- *We keep the teams small so your care is more personalised*
- *You can decide how we deliver services for you*
- *We are part of your local community*
- *We screen our staff carefully and ensure that they complete an annual training program.*

We encourage you to access services provided by Mercy Health, however if you wish to choose your own provider we can arrange this for you.

Care Management*

Care management is an important service that includes coordinating care and services that will help you deliver on the goals you identified in your Care Plan.

Approach to care management	<i>Our Care Management is based on a relationship approach. This provides you with full access to your own Care Advisor and a Service Coordinator who will support you with your health and wellbeing goals and ensure your services are organised and integrated to meet your needs. Full support includes a fixed care management fee, regardless of how much care coordination and care advisory you need.</i>
