Care first

Nurses who come to you

Our community nursing service supports people living in the North West (Parkville and surrounds) and East (Hughesdale and surrounds) of Melbourne, and Geelong and the surrounding areas.

Our skilled and professional nurses can assist with:

wound care

medication management

cognitive assessments

continence assessments and more.

Services are available through government-funded programs including the Commonwealth Home Support Programme (some areas only), Department of Veterans' Affairs, Home Care Packages, NDIS or on a private fee-paying basis.

Talk to us today to find out how we can help you.
