Mercy Health Home Care is committed to ensuring that Commonwealth Home Support Program (CHSP) services remain accessible to people who may be experiencing financial hardship. No eligible client will be refused services solely because they are unable to pay the full client contribution.

If you, or your loved one are experiencing financial hardship, you can apply to have the client contribution proportion of your client fees waived. Applications can be made at any time to your local office, and include consideration of your income and expenses. All applications are carefully reviewed and you will be advised of the outcome.
